ROOM DIVIDERS

The left photograph shows a retail display on a wooden table with black A-frame legs. On the table are several items: a small sign that says 'STYLISH & AFFORDABLE', a necklace, a blue pouch, a stack of books, a black bag, and a small black box. Behind the table are two large wicker baskets. In the background, there are shelves with more items, including a large potted plant and a display of sunglasses. The right photograph shows a black metal shelving unit in a retail space. The shelves are decorated with yellow flowers, green plants, and various small items. A large white arrow points to the right, indicating a direction or a specific area of interest. The background shows a large, open retail space with high ceilings and industrial lighting.
